- Differences Course onto the PC-12NG/NGX (if required)
- Flight Training
- Aircraft Skills Test

Course Availability

- Held on a monthly basis
- Adhoc courses can be arranged
- One candidate on a course can be accommodated, however two candidates or more on a course will reduce the course cost

Pre-Entry Course Requirements

- 1 Valid SACAA CPL/ATP License or Foreign License
- 2 Class 1 Medical
- 3 Instrument rating
- 4 Valid CRM (highly recommended)
- 5 Downloaded PC-12 Technical App on either a personal tablet or laptop computer (for candidates' own cost) before commencement of the course
- 6 Excess Insurance – This is included in the quotation and Simuflight will apply for it on behalf of the candidate

What's included?

- **Pilot Kit**

When starting the PC-12 course you will be issued with a standard pilot kit that will include the training material (except as indicated in the Pre-entry Course Requirements) to complete the course

- **Daily Lunch**

A light daily lunch is included for all candidates on the conversion course

- **VAT for foreign candidates**

Unfortunately South African Tax Law forbids zero tax billing for foreign students

Additional: Accommodation

Please contact us if you need assistance in finding accommodation

Type Rating Skills Test
